

Announcement

2015-05

Subject: 2015 Season Schedule Change

Issue Date: July 29, 2015

To All Competitors, Organizers and Clubs:

Due to the extreme wildfire conditions that are being experienced in the interior of B.C. this summer, the running of the Pacific Forest Rally will now take place later in the year when cooler temperatures and the higher likelihood of precipitation will be upon us. The old dates have now been superseded by the new dates of OCTOBER 23 and 24, 2015.

The organizers are confident that these new dates will allow the event to run smoothly and without interruption. Please note that the new date is only one week prior to the Rocky Mountain Rally, and as such the organizers of both the Pacific Forest Rally and Rocky Mountain Rally are working closely together to ensure a smooth set of events. The new schedule will allow for teams with a long tow to participate in back to back events. Any teams requiring assistance with accommodations, vehicle storage or re-prep facilities between the two events should contact either of the event organizers or your Region Director for guidance:

Keith Morison chair@rockymountainrally.com or

Paul Westwick paul.westwick@telus.net

We are looking forward to seeing you all at both of the Western National Events.

On Behalf of the CARS Board of Directors.

Martin Burnley
