

ANNOUNCEMENT

2025-14

Subject: National Organizer Representative

Issue Date: November 20, 2025

Nicki Lachapelle has decided to step down from her position of being the Organizer's representative to the CARS Board. The CARS Board and indeed the entire rally community would like to take this opportunity to thank Nicki for her dedication and work in this position.

The position of CARS Organizer Representative on the CARS Extended board is for a period of one-year term, ending December 31, 2026.

The Organizer's Representative provides the Board of Directors with valuable input from organizers and offers organizers the opportunity to communicate with the Board about rally related issues and activities.

To begin the process of finding a candidate the Board would like to hear from people interested in taking on the position. The commitment would require participation in monthly board conference calls, communicating regularly with organizers, as well as attending the CARS AGM in January.

Please take the time to consider taking on this role. While all the board members are current or past competitors, there is a need for a separate voice for organizers at Board meetings as well as a central point for organizers to raise their concerns.

If you have any questions about the position or would like to put your name forward, please contact Debbie through email at office@carsrally.ca or by phone at (855) 640-6444

The deadline for expressions of interest will be December 15, 2024. We will notify the National organizers who the candidates are and will ask them to vote for their candidate of choice.

Thank you

Debbie Dyer
CARS Office Manager
