## Candidate 1 Jeremy Norris

Dear CARS Board members,

If selected as the CARS Competitor Representative my objective would be to do as the title describes;

To communicate clearly and efficiently comments and/or concerns from fellow competitors directly to the CARS board.

I do not have any desire to hold this position for personal gain and am merely willing to offer my time and energy in order to help ensure the sport of Rally continues to grow in Canada. As a current National level competitor, I feel I am in a good position to represent the majority of drivers and co-drivers that currently compete.

Thank you for your consideration.

Regards,

Jeremy Norris

## Candidate 2 Justin Bayliff

### **CARS - Competitor's Representative Nomination for Justin Bayliff**

I would like to nominate for the Competitor's Representative position becoming vacant on 21 December 2015.

I believe I would be a good representative to my fellow competitors to the board for the below reasons:

1. I'm a friendly and approachable person with sound core values to ensure we conduct our business fairly for all involved.
2. I'm not frightened to approach the board on hard topics and voice concerns of my fellow competitors.
3. I would like to represent my fellow competitors and bring a fresh new outlook to the cars board at the same time.
4. I have years of experience in multiple forms of motorsport from around the world.
5. I will also provide feedback to the questions and issues faced to ensure communications are distributed to all involved.

Thank you for taking the time to consider me as a candidate for this position.

Regards,

Justin Bayliff
