

Announcement

2017– 02

Subject: Competitor ID packages (windshield and door panel decals)

Issue Date: January 23, 2017

Effective Date: April 1, 2017

The CRC logo was updated in 2016 and has been incorporated into the CARS web site and other CRC materials. For 2017, the CRC door panel will include the updated CRC logo as well as those of our sponsors. CARS requires all competitors to update their door panels effective April 1, 2017.

The new door panels include the updated CRC and sponsor logos.

The windshield banner has also been redone using less space between the two logos so it will fit most windshields better. It is not mandatory to replace the windshield banner, but it is recommended that the new banner be used.

2017 Costs:

The Door panel and window banner package	\$25
Windshield Banner	\$10
Door Panel	\$15

The new door panels and windshield banners can be purchased from the CARS office (plus postage) or at CRC events.
