

BULLETIN

BULLETIN No.: 2017-02

Subject: NRR 12.4.1.10 Reserved Spaces

Issue Date: April 20, 2017

Rationale: To fulfill the requirements of a new partnership agreement, a new area of competition vehicles is required to be reserved for use by CARS.

Effective Date: Immediate.

12.4.1.9 (new) An area, 30 cm wide and 10 cm high, on each of the front, lateral left and right sides of the front bumper skin shall be reserved for exclusive use by CARS and/or its sponsors.

Exemption: Competitors that have a prior contractual agreement allocating this space to others during the 2017 season can apply for approval of an alternative location until Jan 1st 2018. This will be dealt with on a case-by-case basis through the CARS office. Competitors are required to have this exemption approval in place prior to arriving at Technical Inspection of their next CRC event.

Subject: NRR 11.1.6 Helmet Standards

Issue Date: April 10, 2017

Rationale: The information provided needs updating to reflect current status of available helmet standards and expiry dates along with the removal of outdated standards.

Effective Date: Some of the changes are effective immediately and some will be effective January 1, 2018. (as indicated below)
