

## **Announcement Update**

**Announcement No.: 2017-07**

**Subject:** Pacific Forest Rally

**Issue Date:** August 23, 2017

“Announcement 2017-06 gave notice to all CARS license holders that we were considering re-scheduling the rally 2 weeks later, because of an ongoing wildfire situation in BC's forests, and committed to making the final decision by Sept 4th.

While it is still possible that the forest fire danger will abate before the originally scheduled date, the organizers feel that the risks associated with the ongoing wildfire situation in BC's forests, safe access to the forestry roads for rally preparation, and the distinct possibility of having the event cancelled at the last minute, are too great. As such the organizers have decided to make the call to re-schedule the event now, in order to give participants, volunteers, fans, media and sponsors as much time as possible to re-arrange their plans.

PFR will now take place on October 13-14, with recce October 12-13. Official regulations with the new date and schedule will be coming soon. Thanks for everyone's patience, and let's have a fun event and not burn down the forest in the process!”
