## **2020 Rallye Perce-Neige de Maniwaki**

*55<sup>th</sup> Edition*  
*January 31, February 1<sup>st</sup>, 2020*

---

### **Maniwaki on the move !**

Rallye Perce-Neige de Maniwaki will feature a few innovations for its 55<sup>th</sup> running on January 31 and February 1<sup>st</sup> 2020. The organizing committee still headed by Luc Martel will include in the route a new in-town stage with two jumps, an attraction quickly becoming the trend in national events. The rest of the other changes to the program and on the road are yours to discover when you come to Maniwaki.

Nevertheless, what will not change are the long stages in the Forêt de l'Aigle, where the real winter challenge lies on routes that represent the signature of the Perce-Neige rally for the last decades. Perce-Neige also kickstarts the new rally season when hopes are high for any team competing for a title in class or overall.

However, any team that entered the event in the past and have been challenged by the snow and ice, the cold, the early darkness and more than 200 kilometres of stages, will admit that just finishing the White Adventure is a victory

We hope Perce-Neige will be the first event on your 2020 rally calendar

Happy rally season to all,

The Committee

## 15. Timing and Scoring

a) Timing, controls and scoring will be as per CARS NRR – 15, 16 and 17. Timing cards will be used. They must be presented to control marshals at time controls. To calculate a time out at the end of a stage, the competitor will use the lateness time, unless the time spent in the stage is longer. If this should happen, the competitor will use the time in at the finish in hours and minutes.

Examples	a	b	c
Time at start of stage	10:00	10:00	10:00
Stage lateness time	( 8 )	( 8 )	( 8 )
Time in at end of stage	10:05:28	10:08:32	10:12:10
Time out at end of stage	10:08	10:08	10:12

Note; Competitors unfamiliar with this procedure are invited to attend a time-keeping refresher course which will be offered Friday January 31<sup>st</sup> at 20:45.

b) Re-start order will be determined by the stage overall results, less the worst result as per NRR 15,3,2.

## 16. Service and refuelling

The service book (in Km and Miles) will help plan service. It includes:

- A chart showing the total distance and stage distance between the start and each service stop.
- Information on predetermined service and gas stop areas
- Directions to access all stages start and finish points.
- Directions to access the optional refuelling areas
- GPS information for the majority of points of interest of the event

The distance between gas stops exceeds distances mentioned in NRR rule 13,2,6 : Refuel opportunities must be located so that competition vehicles do not require more than 54L (60L – 10% buffer) of fuel using a fuel burn rate of 0.75L/Stage Km and 0.25L/Transit Km. Refuelling should occur at the end of a service stop, but extra remote refuel opportunities can be used to meet these requirements.

There will be 2 service stops at a single location and an optional refuelling area in each leg.

- **This chart indicates the approximate distances between the refuelling and service.**

	TOTAL KM	Transit	Stages	Optional Refuel	Transit	Stages	
<b>Leg A</b>	<b>147</b>	<b>64</b>	<b>29</b>	<b>#1</b>	<b>37</b>	<b>17</b>	<b>Service</b>
<b>Leg B</b>	<b>161</b>	<b>30</b>	<b>40</b>	<b>#2</b>	<b>42</b>	<b>48</b>	<b>Service</b>
<b>Leg C</b>	<b>157</b>	<b>38</b>	<b>42</b>	<b>#3</b>	<b>33</b>	<b>43</b>	<b>Parc fermé</b>

- Servicing and refuelling are strictly limited to the designated areas from the opening of the service park to the end of the rally.

## 17. Parc Fermé and post-event scrutineering

All vehicles finishing the event must enter Parc Fermé. Upon reaching the finish control of the event, any team member may drive the vehicle into Parc Fermé. Any car finishing the rally may undergo post event scrutineering. Dismounting and reassembling any parts will be the competitor's responsibility. Only volunteers, officials and medias wearing a CARS Series Media bib will be admitted in Parc Ferme. Competitors entering must be accompanied by an official; if otherwise, a penalty up to exclusion may be assessed.

Any team using hand-studded tires not already marked at scrutineering will be subject to penalties. The penalty for violation of the above studded tire regulations (CARS 17.2) is 10 minutes.
