2021-10

Subject: CARS Medical Delegate

Issue Date: October 26, 2021

Implementation:

The CARS Board is looking for a medical delegate.

Duties would be:

- To review license application medicals that may have been flagged as an issue by the competitors' physician, and to advise the CARS office on license issuance.
- Communicate with a competitor if a medical issue arises after license issuance.

All inquiries to the Medical Delegate will come through the CARS office and over the past 10 years there have been an average of 1 or 2 calls per year to the medical delegate.

The ideal candidate would be bilingual however two candidates would be considered, one French and one English.

If there are any questions, or if candidates would like make their interest known, contact Debbie Dyer at CARS office, office@carsrally.ca

Thank you
