Yannick Lefebvre, National Series Manager for the 2023 and early 2024 season has unexpectedly stepped down with immediate effect.

I would like to thank Yannick Lefebvre for his hard work, dedication and enthusiasm that he's put into the role over the last 15 months. He did an excellent job in the role and brought many new ideas to the championship. Thank you, Yannick, for all the work you have put into this challenging position.
