

Announcement

N° 2025-02

Subject: CARS President, National Technical Director ad Organizer Representative Positions named

Issue Date: January 22, 2025

To All CARS members

In October of 2024, the then CARS President, Chris Kremer announced that he will be leaving the role at the end of 2024.

Following a vote by the Board, on January 7th 2025, the CARS Board is now pleased to announce your new CARS President, Bill Westhead. Bill took the responsibilities following the CARS AGM that was held on January 11th, 2025.

The Board would like to thank Chris Kremer for the countless hours and endless dedication that he has devoted to the position over the year of his tenure. We are pleased to say that Chris will stay on the extended CARS board in the position of Past President where he plans to help on projects for many years to come.

The new CARS Technical Director is Matt Pullen. Matt may be remembered as the past CARS National Scrutineer.

The new CARS Organizer Representative is Nicki Lachapelle. Nicki has helped organize the Pacific Forest Rally in the past and has stewarded several events.

We welcome these new faces to the 2025 CARS board.
