Subject: Rocky Mountain Rally Cancellation

Issue Date: September 3, 2025

Over the September long weekend, the Rocky Mountain Rally organizing committee learned of an imminent strike of some of BC's 34,000 public sector employees. As of, September 2, 2025, the BC General Employees' Union has gone on strike, with picket lines set up in various spots in the province. We are unable to predict which services the BC government will retain as essential services but the organizers have no assurances that a response to our road permissions requests would be dealt with in due course.

Unfortunately, with this uncertainty, we have made the difficult decision to cancel this year's event.

Sincerely apologize,

The 2025 Rocky Mountain Rally Organizing Committee
